Full job description

Polycell is a protective packaging manufacturer with branches located across Australia and New Zealand. We specialise in the production of bubblewrap and closed-cell foam products, along with a vast array of derivatives thereof.

An opportunity currently exists for a Storeperson to join our busy warehouse team at Arndell Park NSW.

The successful applicant must possess the following qualifications and attributes:

- Forklift Licence
- Strong communication and customer service skills
- Reliable, punctual and possess excellent work ethic
- Excellent ability to work independently as well as in a team environment
- Minimum Computer skills (not essential but advantage)
- Overtime available and penalty rate apply

Main responsibilities include, but are not limited to:

- Forklift driving
- Loading and unloading trucks
- General warehouse duties involving physical work
- Flexibility to work overtime hours as and when required
- Adhering to OH&S policies and procedures at all times

This application is for a Casual position.

Please note only applicant holding current forklift license will be considered for this role.

If you are interested in this role and meet the above requirements, please click 'Apply' to forward your CV and other relevant documents to us.
